

KARELIA SPRING SPORT & DANCE FLOOR GUARANTEE CERTIFICATE

Karelia Spring hardwood Sport-and Dance floors are factory coated with high-quality BonaSportive UV hard acrylic. Floors can be beforehand coated with BonaSportive polyurethane varnish and paints. They do not contain formaldehyde or any other substances hazardous to health. It is a condition of the guarantee that the Karelia Spring Sport & Dance floor is looked after properly according to the manufacturer's instructions.

Room Conditions

To ensure best for your wood flooring and your wellbeing, the room temperature should be between 18° - 24° C and the relative humidity of the air 40-60 %. To ensure that humidity stays within these limits when the heating is on the use of a humidifier is recommended.

KARELIA – UPOFLOOR Oy warrants that the material shipped to

will be free from defects in material and workmanship for a period of _____ beginning _____. The flooring installer warrants that the installation of the flooring will be free from defects in materials and workmanship for a period of _____ from beginning _____.

Karelia– Upofloor Oy reserves the right to rectify faulty flooring or to have it rectified by an installer, or to exchange it. The cost of the repair will be refunded only if the matter has been agreed beforehand and will cover only the floor materials and repair work not additional expenses.

Indirect damage

Claims of indirect damages are excluded without exception.

This warranty does not cover damage caused by fire, winds, floods, chemicals, or other abuse, or a failure of others contractors to adhere to specifications, or neglect of reasonable precautions to provide adequate ventilation during hot or humid weather. This warranty also excludes damage due to excessive dryness or excessive moisture from humidity, migration through the slab or wall, or from any other source. This warranty also excludes damage to floors due to ordinary wear and tear, faulty construction of the building (other than flooring installation), separation of concrete slab underlying the floor, settlement of walls or use of water on the floors. During the warranty period, the floor cannot be coated without the approval of the flooring contractor.
